Re: Junk Food Festival

Russell Auckbaraullee, 3 Greystone Walk Drive, Scarborough, representing the Junk Food Festival, appeared before Council to answer questions relating to the event. A question and answer period ensued with respect to:

- how the name of the Festival was derived and the image it portrays in promoting healthy lifestyles;
- hours of operation for similar Festivals that had been held in other municipalities;
- the limited parking provisions at the Whitby event venue;
- the use of shuttle services, provided by the organizer, and their

- experience in using shuttle services for past events;
- whether the Festival would become an annual event and whether the business case could be provided to staff;
- the medical plans in place and whether emergency staff would be onsite to respond to situations;
- the need to look at developing a comprehensive policy, governing special events, including delegating authority to staff to alleviate any delays for organizers in bringing the matters before Council while ensuring that Council are kept apprised of special events taking place in the municipality; and,
- maintaining the closing time of the event at 11 pm for Friday and Saturday, on a trial basis for this year, prior to considering extending the time for future years noting the precedence that this could set for other events being held in the municipality.
